

~~Ex~~ In re Application of:

Group Art Unit: 1762

Examiner:

**For: Method for Applying
Metallurgical Coatings to
Gas Turbine Components**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In accordance with 37 C.F.R. §1.56, the materials listed on the attached form PTO-1449 form are being brought to the attention of the Examiner for consideration in connection with the examination of the above-identified patent application.

The Information Disclosure Statement submitted herewith is being filed within three months of the filing date of the above-identified application or date of entry into the national stage of an international application related thereto, or, to the best of applicant's knowledge, before the mailing date of the first Office Action on the merits, whichever occurs last.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to: Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on the date indicated below.

Date: December 29, 2003

Edith D. Sillman
Edith D. Sillman

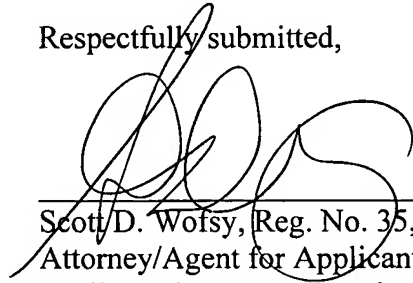

The filing of this Information Disclosure Statement shall not be construed to be a representation that a search has been conducted, nor shall it be construed as an admission that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

It is respectfully requested that the Examiner return a copy of the attached form PTO-1449 with initials or other appropriate marks indicating consideration of the cited materials.

Date:

12/29/3

Respectfully submitted,

Scott D. Woisy, Reg. No. 35,413
